

2019-2020 Eudora Schools Foundation Regional Professional Development Application

Thank you for applying for the Eudora Schools Foundation Regional Professional Development Scholarship. This opportunity is made available by the Eudora Schools Foundation's annual giving campaign.

The ESF Regional Professional Development Scholarship allows you and/or a team of individuals to attend a regional workshop or conference. Recipients will be expected to take this professional learning opportunity the "impact" level within PDP Toolbox. It is possible to award more than one person/group per building.

Each building has been awarded funds for this purpose.

- Eudora Elementary and Early Childhood = Up to \$3500
- Eudora Middle School = Up to \$2500
- Eudora High School = Up to \$2500

The Eudora Schools Professional Development Council will provide the first-level review of the applications, with final decisions made by the Academic Team and building principals. The PDC will focus feedback on the applications using a scale of 1 to 4 (1 = insufficient evidence to 4 = strong evidence), in the following areas:

Impact = The workshop or conference has the ability to transform or transcend practices to improve student achievement and/or experiences.

Longevity = The workshop or conference has the ability to make a lasting impact over a period of time on the practices and/or culture within the classroom, building, or district.

Execution = The proposal provides a clear and detailed plan of implementation to proceed from the knowledge, application, and impact levels of professional development.

Budget = The proposal provides a detailed report of anticipated expenditures to include registration, travel, and implementation.

Thank you for all you do for Eudora students. Applications are due Friday, October 18, at 5:00 pm. The PDC intends to review applications and make recommendations to our Academic Team and building principals on October 23, 2019. With feedback from our PDC and Academic Team, decisions will be made regarding scholarship awards shortly after. Announcements of award winners will take place in November. Should you have any questions, please contact Mark Dodge (markdodge@eudoraschools.org) or Shanda Hurla (shandahurla@eudoraschools.org).

* Required

1. Name(s) *

Names of those applying to attend a regional workshop or conference. Separate names with a comma. *Names will not appear to the PDC during the selection process.

2. Email Address(s) *

Email addresses of those applying to attend a regional workshop or conference. Separate email addresses with a comma. *Email addresses will not appear to the PDC during the selection process.

3. Name of Workshop or Conference *

Please list the name of the regional workshop or conference you are applying for.

4. Workshop or Conference URL *

Please provide the website regarding the regional workshop or conference you are applying for.

5. Workshop or Conference Date(s) *

When is the regional workshop or conference?

6. Workshop or Conference Location *

Where is the regional workshop or conference?

7. Impact of the Conference or Workshop *

Please describe the impact this workshop will have on students, staff, and/or Eudora Schools.

8. Longevity of the PD Plan *

Please describe how you and/or your team will ensure a long term commitment to the implementation of what is learned at the regional workshop or conference.

9. Execution of the PD Plan Leading to the Impact Level *

Please provide your plan for moving from the knowledge level, to the application level, and to impact level, as a result of attending the regional workshop or conference.

10. Budget Plan *

Please provide a budget needed to attend the regional workshop or conference, including registration, travel, and meals.
