

Eudora Schools Foundation - Teacher Excellence Grant - Rubric

Criteria	Exceeds Expectations (3 pts)	Meets Fully (2 pts)	Adequate (1 pt)	Incomplete (0 pts)
Innovation	Grant proposal shows how program will enrich learning above and beyond typical learning opportunities. Engaging, creative, and new pathways to learning are well documented by the applicant	Grant proposal reflects how the program will enrich learning. Applicant identifies how the program is creative in approach, content or delivery	Grant proposal is consistent with established objectives and curriculum, but does not impress as being particularly fresh and creative.	Incomplete or not addressed
Impact	The program has the potential to involve a great number of individuals or individuals in multiple age groups or demographics. The program has the potential to change the way individuals experience the world	Number of individuals benefiting from program is limited but reasonable in relation to the funding request. Benefits to students from having participated in the program will likely extend into the future for the students.	Only a small number of students will be involved in the program and benefits to students seem unlikely to be long-lasting	Incomplete or not addressed
Leverage	The program is sustainable without additional ESF funds. Proposal identifies opportunities to collaborate with other school/community partners	The program maybe sustainable without additional ESF funds. Identifies possible opportunities for partnering or sharing information with other school/community groups	It is unclear if program is sustainable for future years. Proposal addresses collaboration within the proposed setting only	Incomplete or not addressed
Execution	Plan is specific, clearly outlined goals with realistic and achievable objectives. Timeline is clear and identifies specific activities and dates for completion	Plan is outlined and has some connection to the objectives. Timeline is included with list of activities and dates for completion	Instructional plan is outlined and goals of the project are stated; timeline is included	Incomplete or not addressed
Budget	Proposed project budget is realistic considering the audience size and stated objectives and includes a narrative with justification and quotes, if available	Proposed project budget is realistic considering the audience size and state objectives	Budget is documented and included in proposal. There may be concerns about the amount requested in relation to the anticipated impact of the program.	Incomplete or not addressed
Evaluation	Comprehensive method for evaluating impact is outlined, including mechanisms to obtain and analyze objective, empirical evidence and user feedback	Clear method for evaluating impact is outline, including user feedback, effort to obtain and analyze objectives, empirical evidence is shown	Limited method for evaluating impact	Incomplete or not addressed
