

Notice: Bird's Nest Clothing Request Temporarily Paused

Please note that the Bird's Nest Clothing request is currently paused and will remain on hold until school resumes. If you are looking for the school supply request page, it will go live on our website on July 15th. We will also promote the live request link on our social media pages of the Eudora Schools Foundation.

Families requesting school supplies must indicate their need for assistance when making requests. Thank you for your understanding and continued support.
